We will use the information collated on this form to make a search with Credit reference agencies to assess your worthiness. The credit reference agency may make a record of that search. We may also make a search on the personal credit file of all principal directors/proprietors for the purposes of this application. This may include a search on your current address and any previous addresses in the last three years.

For the purposes of credit referencing, fraud prevention and money laundering regulations we may also share your account information and trade payment performance with other carefully selected third parties such as credit reference agencies. Should it become necessary for us to review your account, then again a credit reference agency search may be conducted and a record kept of that search. By signing this application form you confirm to us that you have obtained the consent of all relevant individuals associated with the above business to the processing of their personal data for the reasons stated above.

You have the right to ask for a copy of information relating to you that is held by us in our records (in return for a small fee). You also have the right to require us to correct any inaccuracies in any information held by us about you and you may object to your details being used for direct marketing purposes.

<b>Declaration:</b> By signing this agreement you confirm that you have read, understood and accept our standard terms and conditions of sale as attached and you accept that in consideration of our agreement to supply goods to the applicant company on credit terms you the undersigned being directors/proprietors and authorised representative(s) of the applicant company agree jointly and severally to guarantee payment of all the financial obligations due to us including and financial obligations arising from any changes in credit limit made to the credit account granted by us from time to time.
